

# Excel 130 Concrete Form Sprayer

**NOX-CRETE PRODUCTS GROUP**

Heavy duty, compressed air, easily portable concrete form release agent sprayer

5.0 gallon (19 L), heavy duty, stainless steel tank  
3.0 gallon (10 L) useable product capacity

Pressurizes up to a maximum 130 psi (8.9 bar)  
Padded shoulder strap

All Viton and Teflon seals and gaskets  
Tapered brass no-weep fittings

- Wide mouth tank opening for easy filling and cleaning
- Heavy duty protective rubber handle
- Compressed air fill inlet

- Shut-off on hose for easy cleaning, filter maintenance and spill protection

- High capacity in-line bronze 200-mesh liquid filter
- Compressed hydraulic hose fittings
- 5 ft (1.5 m) chemically resistant spray hose

- Heavy duty no-weep trigger valve
- Swivel hose to trigger valve connector

- Holster for spray wand storage

- CF Valve maintains constant pressure for consistent spray flow

# Ultimate Concrete Form Sprayer

NOX-CRETE PRODUCTS GROUP

Heavy duty, compressed air, high capacity concrete form release agent cart sprayer

Easily removable, 5.0 gallon (19 L), heavy duty, stainless steel product tank  
10 gallon (38 L) fixed compressed air tank

Heavy duty, powder coated, steel frame  
50/100 ft (15/30 m) chemically resistant hose  
Heavy duty solid rubber tires

Air tank pressurizes to a maximum 150 psi (10 bar)  
All Viton and Teflon seals and gaskets  
Tapered brass no-weep fittings

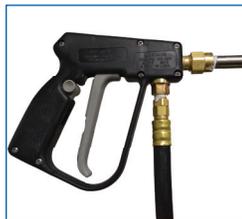

- Lifting hook for crane attachment

- Wide mouth tank opening for easy filling and cleaning
- Liquid tank pressurizes to a maximum 130 psi (9 bar)

- Quick connect air and fluid couplings
- Heavy duty protective rubber handle on removable stainless steel product tank

- Heavy duty no-weep trigger valve
- Swivel hose to trigger valve connection

- 10.0 gallon (38 L) high-pressure air tank
- Protected pressure gauge

- 0-100 psi (0-7 bar) pressure regulator
- Heavy-duty air-rail manifold with compressed air fill inlet

- CF Valve maintains constant pressure for consistent spray flow

- High capacity, 200-mesh, easy-to-clean Banjo liquid filter
